**THE City of Shelbyville**

**INSTRUCTIONS TO BIDDERS**

**BIDS TO BE RECEIVED**

**4/30/2021**

Sealed bids for the construction of the following projects will be received by the City of Shelbyville, **201 N Spring Street, Shelbyville, TN 37160** until **10:00 AM 4/30/2021** and opened publicly at Shelbyville Recreation Center, Meeting Room #1, 220 Tulip Tree Road, Shelbyville, TN 37160 at **10:30 AM on 4/30/2021**. Office hours are from 8:00 am to 4:00 pm. The reading of the bids will begin at **10:35 AM on 4/30/2021**. A mandatory pre-bid meeting will be held at Shelbyville Recreation Center, Meeting Room #1, 220 Tulip Tree Road, Shelbyville, TN 37160 at **2:00 PM on 4/22/2021**.

The proposed construction shall be performed in accordance with the most current version of the Standard Specifications for Road and Bridge Construction of the Tennessee Department of Transportation, and the Standard Roadway and Structures Drawings of the Tennessee Department of Transportation which are incorporated herein by reference and made a part hereof. In addition, only the Special Provisions contained within the applicable Proposal Contract will be considered binding. Any reference to any Special Provision not contained within the applicable Proposal Contract shall be disregarded. All questions related to the Proposal Contract, Plans, Specifications or Special Provisions shall be directed to the **Neel-Schaffer, Inc. office at 615-988-8387**. Information received from other offices of the City of Shelbyville are strictly advisory.

**IMPORTANT NOTICE TO BIDDERS:**

Prospective bidders should read the following instructions carefully before submitting their bids. Special attention is called to the regulations of the City of Shelbyville that total bids, rather than unit prices, will be read. Proposals shall be rejected as being irregular if they fail to contain a unit price for each item listed. Extensions of the various items must be sub-totaled, carried forward, and shown as a grand total following the last proposal item. All entries must be in ink.

After a bidder has deposited a proposal with the City of Shelbyville, he can withdraw it only on written request in accordance with Subsection 102.07 of the Tennessee Department of Transportation Standard Specifications.

Totals read at the opening of the bids are not guaranteed to be correct and no final award of the contract will be made until bids and extensions have been checked and re-checked.

On all projects which are financed in whole or in part by funds received through Federal agencies and/or the Tennessee Department of Transportation, the awarding of contracts by the City of Shelbyville will be subject to approval by the Tennessee Department of Transportation. The City of Shelbyville reserves the right to reject any bid proposal which is not acceptable to

**SPECIAL PROVISION**

**REGARDING**

**PROJECT COMPLETION AND LIQUIDATED DAMAGES**

This project shall be completed in its entirety on or before the completion date shown on the cover of this proposal contract.

All lane closures must be approved in advance by the Engineer. A minimum of seven (7) days' notice must be provided in advance of any closure. Temporary lane closures will only be permitted between 7:00 AM until 6:00 PM each day. No lane closures will be allowed during Holidays, Holiday weekends, Special Events related to the area in accordance with the plans and specifications, or as directed by the Engineer.

For each hour or portion thereof, which any traffic lane remains closed in conflict with the restricted periods, the sum of \$500 per hour per lane shall be deducted from monies due the Contractor, not as a penalty, but as liquidated damages.

All lane closures and operations must be coordinated with existing construction contracts in the area and approved by the Engineer.

Work shall be substantially complete by nine months from the start date. Failure to have substantially complete work will result in daily liquidated damages per the rates set forth in Section 108.09 of the standard specifications. Assessed liquidated damages will be deducted from monies due the Contractor.

The contractor's proposed work plan for Phases 3 and 4 must be approved in writing by the Engineer prior to beginning any simultaneous work on both phases.

A segment of sidewalk is defined as the sidewalk that spans from one street to the next. Each segment of sidewalk shall be completed before beginning another segment, unless approved by the Engineer.

The contractor shall maintain customer access to all businesses during construction.
