This addendum includes the following:

ANSWERS TO QUESTIONS SUBMITTED

Question 1: Would the city consider a proposal from a firm that specializes in municipal law, working with a local attorney selected by you per the RFP, the local attorney providing those services required to be in person, and ourselves to provide municipal services perhaps better provided by a firm such as ours?

Answer: Please feel free to respond to the RFP for legal services for the City of Aztec. We will consider all responders.

- Proposals for specialized areas will be reviewed, considered, and kept on file for consultation needs that may arise in the future. For RFP 2024-842 the selected firm will be required to perform all services as listed in the RFP.

Question 2: If an applicant replied previously to the substantively identical RFP issued in October of 2023, does that applicant need to reapply or is the previous application sufficient if the applicant wants to be considered?

Answer: You will need to reapply but can use the previous proposal that will need to be updated with the new RFP #.
