Questions Submitted to the Office of the Purchasing Agent

- (1) What Date should be used to price these drugs? Reason: Whenever we are asked to quote drug costs, we are given a date. The date you give will determine their cost.**
The pricing should be based on the NDC number attached to that medication. The AWP will tie back to the NDC number.
- (2) Do 100 doses mean 100 units? Yes.**
- (3) When quoting these drug prices, do you want us to quote the original NDC's or do you want us to quote the repack NDC's of the drug? Reason: In some cases the repack is cheaper. We want to be sure we quote this correctly.**
Quote the cost that you will expect to be reimbursed for.
