

**SUPPLEMENTAL INFORMATION
ADDENDUM NO. 1**

PROJECT: ITB 19-006
2019 Road Resurfacing

CONTACT: Fiona Charleton, Purchasing Agent
912-754-2159 fcharleton@effinghamcounty.org

DATE ISSUED: April 24, 2019

ITB No. 19-006 dated March, 2019 is hereby amended as noted herein : BIDDER TO ACKNOWLEDGE RECEIPT OF ADDENDUM BY SIGNING ON THE SIGNATURE LINE BELOW AND INCLUDING A COPY WITH SUBMITTED BID. FAILURE TO DO SO MAY, AT THE OWNER’S DISCRETION, SUBJECT THE BIDDER TO DISQUALIFICATION

- 1) QUESTION: Is the County requiring two (2) originals/signed bid documents, or 1 original and 1 copy?
ANSWER: The County requires one original set and one copy of the bid documents.
- 2) QUESTION: On Attachment H – List of Subcontractor (page 01150-13), it calls for DBE identification. Are there any DBE requirements for this project? I did not locate any in the Bidding Documents.
ANSWER: There are no DBE requirements for this project.
- 3) QUESTION: On the Document Checklist (page 01100-3), the Performance and Payment bonds are listed as REQUIRED. How should we address the ‘Completed’ column when submitting a bid?
ANSWER: P&P bonds are required but not until award of contract – please put a check mark in the completed column to indicate that you will be able to supply P&P bonds if required.
- 4) QUESTION: Regarding possible patching on the various roads, it would be very difficult to lump that cost into the leveling price since asphalt patching also includes removal. Could you reconsider adding a separate asphalt patching item for the roads that may require patching?
ANSWER: No.
- 5) QUESTION: Regarding the scope on Long Pond Rd, I don’t think it will be possible to get 24’ in width without completely moving the ditches. Could you verify the proposed width for this road?
ANSWER: 20 feet.
- 6) QUESTION: What is the “Grading Per Mile” item for on Mock Rd? It doesn’t look like any grading will be required there.
ANSWER: This item has been removed – see revised bid price and contract price pages attached.

- 7) QUESTION: Is any proposed testing required to be performed by an independent lab to be paid for by the Contractor?
ANSWER: Yes. Contractor is to notify the County of any testing being performed in case they want to observe.
- 8) QUESTION: Sisters Ferry Road – shoulders?
ANSWER: Material thrown out of ditch, save it till done with overlay, pull back over to match. Any excess to be hauled off by contractor. Contractor to ensure that shoulders are mowable when done.
- 9) QUESTION: Railroad Insurance?
ANSWER: Not needed – work will be performed away from the railroad tracks.
- 10) QUESTION: Is Horsepen Road an ash road?
ANSWER: No.
- 11) QUESTION: Long Pond Road - is the intention to mill down 12” then come back up to existing grade?
ANSWER: Take the double surface treatment and go down 10” - take 8” out, put 8” back – haul off excess. Contractor responsible for disposal of excess.
- 12) QUESTION: No line item for milling on Long Pond Road
ANSWER: Included in grading per mile.
- 13) QUESTION: Long Pond Road
ANSWER: Need to test subgrade as milled out – when ready to do testing proof rolls, contractor to inform county so they can observe.
- 14) QUESTION: Does Long Pond need to be open to traffic every day?
ANSWER: Yes
- 15) QUESTION: Is there prime coat on the Long Pond GAB?
ANSWER: No
- 16) QUESTION: Sisters Ferry Road – there is an item for posts, but no item for signs – is existing sheeting to be used on new posts?
ANSWER: All new signs and all new posts - see revised bid price and contract price pages attached. Signs will say the same as they say now and they will be in the same location that they are currently in. All to be MUTCD specs. See Question 20 for sign log.
- 17) QUESTION: Supplemental Conditions – GDOT supplemental or County?
ANSWER: Everything on this project must meet GDOT specs at the time.
- 18) QUESTION: Mix design
ANSWER: Everything on this project must meet GDOT specs at the time.
- 19) QUESTION: Will County issue a patching log?
ANSWER: No contractor to do. Put in leveling and patching together.

Addendum No. 1
ITB No. 19-006 – 2019 Road Resurfacing

20) **QUESTION:** Sign log
