QUESTIONS

- 1Q. Are there Liquidated Damages for this project?
1R. No.
- 2Q. Is Pollution Insurance required for this project?
2R. No.
- 3Q. At Howard HS, is the existing perimeter collector line perforated or solid? If the existing line is solid, do we need to add an additional 12" perforated collector line above the existing 12"/18" collector lines?
3R. The existing collector pipe is perforated.
- 4Q. At Howard HS, on the Howard HS plan set, sheet IR-2, is the existing conduit in place that runs from the controller to the mainline? Or do we need to include installation of this conduit?
4R. Yes, conduit is in place, but the controller is to be removed and wiring capped. The Quick Couplers will be operated manually by the meter. Controller is to be returned to HCS.
- 5Q. Is there information regarding logos for the fields?
5R. See Item 1 under SPECIFICATIONS for additional information.
