

## **Bid #2308 – Supplies for Anderson County Emergency Medical Services**

### **Questions & Answers #2**

1. “Bidders must provide an option to return pharmaceuticals 30 days prior or 30 days after expiration for an exchange at discounted price.” Are you able to remove this requirement from the bid?

**Answer: This requirement is removed from the bid.**

2. I noticed that there is a requirement under section 1.11 State of Tennessee Contractors’ License Law (T.C.A. 62-6-119) that we have a contractors license. We are in the process of obtaining one now. Do we need to have license in hand to submit a bid response to Bid 2308 for Anderson County? Or, If we have it by the time of award, is that acceptable?

**Answer: This requirement does not apply to this bid.**

3. Category 3 – IV Products requests EZ I/O products manufactured by Teleflex. As per my Teleflex rep and our Purchasing Department, these items are now “Direct Only” from Teleflex. If they cannot be bid on, how would we go about submitting this section? Are we allowed to submit it with these items omitted? I am understanding that all items need to be filled out per section for it to be considered.

**Answer: Vendors may omit items in their bid replies.**
