Re: ITB 17-039 Martin Luther King Jr. Blvd. Sidewalk Extension Project

Due to the County's emergency activation, the bid opening for ITB 17-039 is changing to 3 P.M. Thursday, September 21, 2017. Bid opening location remains the same.

Those who already submitted a response have the option to withdraw and re-submit a new bid next week, if desired. Otherwise we will open the already received submittal on 9/21/17.
