ADDENDUM 1

March 18, 2019

This Addendum #2 is being released to make the following question:

- 1) Other than the original, how many copies are required for RFQ submittal?

We need the original and three copies, as well as the electronic media copy.

- 2) In Section IV, Information for Offerors to Submit, 3 (b) asks for "three references, one of which must be from a South Carolina public school system." We have done work in South Carolina but not for a school system. We do have extensive experience in North Carolina public schools systems. Would you accept a referral from North Carolina? Or does the fact that we have not done work with a South Carolina school system take us out of the running for this contract?

We will consider out of state public school system work.
