INVITATION TO BID NO. 24-DES-ITB-360

ADDENDUM NO. 1

Arlington County (hereinafter referred to as the "County") Invitation to Bid (ITB) No. 24-DES-ITB-360 for Ferric, Grade 2 Liquid 38%-42% is amended as follows:

1. THE COUNTY HAS RECEIVED THE FOLLOWING QUESTIONS IN RESPONSE TO THIS ITB. QUESTIONS AND RESPONSES ARE INCLUDED BELOW.

- **Question #1:** Brenntag formally requests the removal of section 3, page 20, titled "Anti-Trust". It is against the policy of Brenntag to assign anti-trust claims for several reasons. First, the assignment of anti-trust claims means that Brenntag would lose control over the pursuit of anti-trust claims involving Brenntag and any corresponding litigation involving Brenntag. Second, the assignment of anti-trust claims puts Brenntag at risk because it could jeopardize its defense to a related anti-trust claim against Brenntag. Thank you for your time and consideration.

Answer #1: This clause may be removed if so requested by the awarded Bidder prior to contract execution.

- **Question #2:** Can we please get the previous bid tab results? Also the current price/supplier?

Answer #2: The County used another jurisdiction's contract to provide the previous services and do not have that leading jurisdiction's bid tab to provide.

- **Question #3:** Please provide current supplier and current pricing. Thank you.

Answer #3: Current supplier and pricing can be found in Vendor registry under Agreement No. 22-DES-R-614.

The balance of the solicitation remains unchanged.
