Questions/Clarifications and Answers:

The following question(s) (shown in italicized text) were submitted by prospective bidder(s). The City's responses are presented here (shown in bold text). The submitters' names and email addresses have been removed due to privacy requirements.

1. *Can you tell me about access to water?*

Access to water will be available at the City of Parkland Public Works complex, located at 6500 Parkside Drive at the hydrant in front of the Public Works building.

2. *Will you allow night and weekend work?*

Yes. The City will allow night and weekend work if proper M.O.T. (cones, etc.) is utilized.

3. *Do all streets include:*
- a) *Both sides of the road (Ex. North and South or East and West)?*
Yes. All streets include both sides of the road.
 - b) *Curbing on both sides?*
Yes. All streets include the curbing on both sides of the road.
 - c) *Medians?*
Yes. All streets include the medians.
4. *Some of the square feet that you provided is different than the square feet we are getting after we measured;*
- a) *Can you provide a breakdown of how you got the totals?*
The City measured based on Broward County Property Appraiser record and physically.
 - b) *Will adjustments be made if the city determines that the square footage provided was incorrect after awarded?*
Yes. The City will make adjustments if any errors or incorrect square footage was provided in the bid document.
5. *Are there any areas exempt from the roads listed?*
No. There are no roads within the City of Parkland that are exempt from this scope of services.
- a) *if so, is it possible to provide a list and/or map of areas that are not to be cleaned?*
Not applicable. See answer above.
6. *We understand that additional pressure cleaning could be added to other areas of the city. Roofs & exterior of buildings can potentially be different sq ft prices. Will there be a new line item added for sq ft prices?*
Please see the attached revised FEE BID for added optional line items.
7. *In certain city's, we use their lakes to fill our tanks with pump systems provided by us. Will you be providing approval & access for these instances?*
Yes. The City will allow access to the lakes/retention ponds at City Hall, Terramar Park and Pine Trails Park.
8. *Will you provide fire hydrant access if a meter is made available?*
Please see the response to number 1.
