**Re: Hammock Mobile Estates Sewer Connection Bids
ITB #18-006**

Dear Bob,

We have reviewed the two (2) bids received for the Hammock Mobile Estates Sewage Connection to the City of Sebring Sewage Collection System, ITB#18-006. Go Underground Utilities, LLC at \$221,000.00, two hundred twenty one thousand dollars and Excavation Point, Inc. at \$121,721.00, one hundred twenty one thousand seven hundred twenty one dollars. The apparent low bidder was Excavation Point, Inc. at \$121,721.00, one hundred twenty one thousand seven hundred twenty one dollars. While there is a large spread between the two bids, both contractors are experienced in this type of work and both have worked for the city many times. It is in our opinion that Excavation Point, Inc. has sufficient funds in their bid to do the work.

It is our recommendation that if the insurance and bond requirements are met and you would like to proceed with the project, that the project be awarded to the low bidder Excavation Point, Inc. at \$121,721.00, one hundred twenty one thousand seven hundred twenty one dollars. If you have any questions please feel free to contact me at 863-385-5564.

Sincerely,

Roger Dale Polston, PE, #33222
