RE: **Addendum -RFP 23-020-01**

I. Question and Answer

1. Per the attached spreadsheet. Can you please confirm the number of Dorm Halls are correct and the machine placements are accurate.
Yes, these are accurate.
2. To ensure the best and most reliable App-based monitoring laundry services for your students, each laundry room on campus should be hardwired with ethernet. Can you please confirm if each laundry room is or will be hardwired to accept Ethernet CAT 5 cables prior August 10th, 2023?
It is the anticipation of NMHU to have this coordinated by that time.

II. Addition

1. Page 4, Tab 2
Include if your proposal requires hardwire or wifi and the requirements for each if applicable.
2. **Additional Information Provided**
Additional documents are being provided to show the spaces where the equipment will be placed. Documents labeled "Connor Hall Washers and Dryers" and "Washer and Dryers".

Additional excel document provided labeled "Inventory & Location placement NM Highlands Univ April 2023" in reference to Question #1 above.

***Offerors must acknowledge this amendment in Attachment 1 when submitting proposal.**
