The Owner does not, by expression or by implication, agree that the actual amount of work will correspond with the estimated quantities. In case of error in extension, the unit price shall govern rather than the amount. For lump sum items, the individual amounts shall govern the total of the bid in case of discrepancy. The owner may delete from the contract any or all of the alternates listed in the bid form. The amounts listed above include all labor, materials, tools, equipment, transportation, removal, overhead, profit, insurance, tax, etc. to cover the finished work in place. 3
