

St. Johns River Water Management District

Michael A. Register, P.E., Executive Director

525 Community College Parkway S.E. • Palm Bay, FL 32909 • 321-984-4940 • www.sjrwmd.com

DATE: January 3, 2022
TO: Prospective Respondents
FROM: Amy Lucey, Procurement Specialist
SUBJECT: Addendum #1 to Invitation for Bid, # 37505, Underwater Structure Repairs USJRB

As a result of inquiries, the following clarifications/changes are provided for your information. Please make all appropriate changes to your bid documents. Note: changes are reflected with original language shown with strike-through and new language is underlined.

S23-DS115:

Q1: Is the area to be excavated underwater?

A1: Yes. The water surface elevation appears to be less than 1' above the hole.

Q2: How much material is over the pipe at this location?

A2: Visual observation suggests that there is less than 6" of material over the top of the pipe.

Q3: Would the District approve a repair made from inside the pipe without excavation?

A3: This would be acceptable.

S252F – DS56:

Q4: Can the rip rap, sand and silt be deposited on the shoreline adjacent to the culvert?

A4: Yes.

S264- US114:

Q5: How many columns need to be coated?

A5: Four (4).

Q6: What is the size of the columns?

A6: They are HP 8x36 piles.

Q7: What is the total surface area to be coated?

A7: 12 SF per pile, or 48 SF total.

NOTE: The Proposal Due Date **remains** 2:00 p.m., **Tuesday, January 11, 2022.**

Please acknowledge receipt of this Addendum on the Bid FORM provided in the proposal package.
