Addendum

Solicitation Name	Tree Trimming Services Q2213	Addendum Number	1	Date	03/28/22
--------------------------	------------------------------	------------------------	---	-------------	----------

This addendum answers questions raised about this solicitation. Questions are generally verbatim as received. To aid in readability, the questions are in black, the answers are in **bolded blue**, and the answers follow immediately below.

Q1	I have a question on the upcoming bid, do I have to have a TN contractors License to bid it? I let mine lapse and wont be able to get it in time. There is rarely or ever anything exceeds \$25,000.00. I didn't know if it would be required to bid it. Or if I could bid it and then get my license a little later.
	The Tennessee State Contractor Licensing Board provided this answer: “Based on the way you are bidding, which is based on rates, if the value of the work contracted is less than \$25,000, then a Contractor’s license is not necessary to bid the project. If a storm did occur where a single project ended up being more than \$25,000, then the contractor would need a license to perform the work. The classifications acceptable would be HC-H (Storm Damage Cleanup); or S-Tree Trimming; and of course, commercial (BC, BC-B, BC-b(sm)). “
