

**REQUEST FOR QUALIFICATIONS FOR PROFESSIONAL ENGINEERING AND  
RIGHT OF WAY SERVICES FOR THE TOWN OF MOORESVILLE**

**TOWN OF MOORESVILLE**

**April 14, 2020**

**ADDENDUM No.1**

By this addendum the Town of Mooresville is making the following changes to the project plans and contract documents:

GENERAL CLARIFICATIONS

1. Work code "00170-Property Management" will not be a required work code for this submission.
2. Consultant's may submit electronic copies only considering the current COVID-19 situation. If the file cannot be emailed (15 mb or less and no zip files) then a USB Drive may be mailed but will need to the appropriate address by **4:00 PM, Thursday April 30, 2020**. If a consultant has the ability you may submit hard copies as well, but this will not be required for this submission to be complete.
3. Consultant's responding to this RFQ are expected to meet all requirements of the RFQ either internally or through partnerships with other consulting firms.
4. Acknowledgement that consultants are pre-qualified for all work codes required will be enough for submittals. Prior to final selection firms may be asked to produce supporting evidence from NCDOT verifying this acknowledgement.

This addendum must be recognized as Addendum No. 1 on the Bid.

All other aspects of this contract shall remain unchanged.

Jonathan Young, PE  
Engineering Services Director  
Town of Mooresville
