Addendum

SOLICITATION NAME	Day Porter Services Q1732	ADDENDUM NUMBER	2	DATE	06-23-17
--------------------------	---------------------------	------------------------	---	-------------	----------

This addendum answers questions raised about this solicitation. To aid in readability, the questions are in black, the answers are in **bolded blue**, and the answers follow immediately below.

Q1	I <i>assume</i> we'll need to put some equipment in each facility as you expand the program, i.e. rolling trash barrels, hand tools, mop bucket, vacuum cleaner, etc. I don't know at this point if the facilities will require floor machines. I can put equipment in one of the additional line items on Solicitation Document A if that works for you. Obviously, each facility will need equipment there when the Porter comes to perform his duties. We could bill one time for the equipment for each facility as they come on-line. We can submit an equipment list (which would be our 'best guess' at this point). We could add the consumable products—if needed—on a monthly or quarterly basis if storage is available.
	KCDC will supply consumables and equipment. The vendor supplies labor.
Q2	Your staff mentioned a minimum wage for our employees based on the Davis bacon act? Are you requiring that We pay our employees based on this act?
	No.
Q3	On page 12 it acts for a price per hour, is this for additional non scheduled service?
	No. This is what you charge KCDC for services.
