1. Looking through the bid solicitation I do not see a pricing sheet on how you want to be billed by the contractor. Do you want a bid for each line item or an hourly rate? Secondly, can the trees be mulched, or do they need to be completely removed?
This Indefinite Delivery Contract does not require pricing, only qualifications. The BCSD will bid out jobs individually to the selected firms on contract as needed for specific projects. The scope of that project will define if the trees can be mulched or completely removed for that particular project.
