

## Traffic Signal Mast Arm Painting

### Q&A

11.9.2021

- 1- What paint was used to re-coat the Mast Arms back in 2008?
  - a. This is unknown
- 2- Are there any blueprints of the Mast Arms that can be provided?
  - a. No, there are not.
- 3- What is the cost of the business license that is required for Phillips Industrial to perform the work?
  - a. Business licenses are calculated based on the contract amount. The base fee is \$80 which covers the first \$2000 of the contract then it is \$3.80/thousand thereafter.
