

HIGHLANDS COUNTY BOARD OF COUNTY
COMMISSIONERS (HCBCC)
PURCHASING DIVISION
600 S. Commerce Ave
Sebring, FL 33870
(863) 402-6500

DATE: December 29, 2022
BID NO. 22-023-LLK ADDENDUM No. 3
Project.: County-wide Broadband

The following represents clarification, additions, deletions, and/or modifications to the above referenced solicitation. This addendum shall hereafter be regarded as part of the solicitation. Items not referenced herein remain unchanged. Words, phrases or sentences with a strikethrough represent deletions to the original solicitation. Underlined words and bolded, phrases or sentences represent additions to the original solicitation, as applicable.

This addendum is being issued to answer questions received on this solicitation.

Questions and Answers

Q1 **[Regarding Question 13 in Addendum 2]**, They posted the shapefiles on ArcGIS online and did not make the files accessible for download, so we are still unable to use them for analysis. Can they make it available for download?

A1 **We do not have access to the state ArcGIS system that has the testing/speed data mapped out for the county. That information would need to be requested through the Office of Broadband in Tallahassee.**

**A road analysis interactive map has been created at the following website:
<https://hcbcc.maps.arcgis.com/apps/dashboards/f3c836d5e1cd495e85554d559eb6f9c8>**

Highlands County total road miles are 2818 with 845.9 miles falling under Glades Electric Cooperative Inc. Further information can be filtered from the site listed above. Filter the electric provider on the map by clicking on a provider polygon. In the pop-up, click "select." The graph and number figures will all update based on your selection. It may take several seconds for the calculations to be updated as the road layer is large. The graph units are feet while the bottom summary boxes are displayed in miles.
