2. **QUESTIONS/ANSWERS**

1.	Is any bond (bid, payment, or performance) required to be submitted with the bid itself? Just want to make sure we have everything included in our bid.
Answer	A bond is not required with bid submission. A performance and payment bond is required at the time a project exceeding \$100,000 is identified.

2.	In regard to the paragraph below, it is mandatory then. Only address I see is I believe YOUR address and not the actual site address? What is that please, or do they need to visit your office first and then proceed to the site? 2 Prior to submitting a project related quote, the Vendor shall have visited the requested project site. It shall be the sole responsibility of the Vendor to have visited the site and have fully acquainted and familiarized themselves with the conditions as they exist and related to the work being requested...
Answer	This agreement is not for any specific project. At the time in which a quote is requested under this agreement, the Vendor must ensure they have visited the identified project site.

3.	Please send any & all bidding documents, as well as any architectural drawings of your striping patterns (if available)
Answer	Architectural drawings and additional documentation may be provided where a project is identified, and such is applicable. This is a master agreement for prices in advance of any project need.

4.	Can you provide me with some more information on what schools/gym floors you are looking to get quotes on? Maybe some blueprints for the schools inquired on I would be happy to work up the estimates. Also please include the desired time frame.
Answer	See response to Question 3.
