Pre-Fabricated 12' Polygon Shelter for Perrine Wayside Dog Park

ADDENDUM NO. 2 (continuation of 1)

Prospective Proposers,

Kristen George – Bliss Products and Services

Question: In regards to the bid for a new shelter at Perrine Wayside Dog Park, are you all accepting equals to the Polygon shelter that is specified in the bid package?

Response: We would like to keep the same shape as the one we have in existence, but if you have an alternative, the Village will review it. Please bid on the Polygon but you can have an “alternative” price for the one that is equal. But PLEASE make sure that it is labeled as an alternative.

Estimating – MJ General Contractors

Question: What is the walking path slab concrete thickness and width?

Response: The Shelter will sit on a concrete slab by Miami-Dade County code. The connection to the trail will be by code standard as well. The connection will coincide with the width of the already existing trail. Contractor shall be responsible for only the 30' linear feet NOT 170' linear feet walking trail .

Question: Do you have an estimated budget?

Response: The Village would like to keep the bid no more than \$ 30,000.00.
