DATE: October 2, 2020  
TO: Prospective Respondents  
FROM: Gerald Cahalane, Assoc. Procurement Specialist  
SUBJECT: Addendum #2 to Invitation for Bids #36037 – FCX SAV Excavation

**The Response Due Date for this solicitation has been extended to Thursday, October 8, 2020, by 2:00 pm.**

The original bid document contained Construction Drawings that were only 90% complete. Addendum #1 included finalized Construction Drawings. Because there may not have been sufficient time for potential respondents to base their response on the final drawings, the response due has been extended as referenced above.

For any responses that were received by the original bid opening date (October 1, 2020, 2:00 pm), the unopened responses will be held by the District. Respondents have two options for their submittal for the extended opening date and time (October 8, 2020, 2:00 pm):

1. Respondent must email the District ([gcahalane@sjrwmd.com](mailto:gcahalane@sjrwmd.com)) to clarify that their original response submitted was based on the final construction drawings from Addendum #1 and is acceptable to use for the extended bid opening date and time (October 8, 2020, 2:00 pm); **OR**
2. Respondent must mail or deliver a revised or replacement bid in response to the extended bid opening date and time (October 8, 2020, 2:00 pm). If this option is selected, the Respondent's original response to the October 1, 2020, 2:00 pm, opening date will be returned (unopened) to the Respondent.

As a reminder, please ensure that all bids that are submitted on a thumb drive are in PDF format and do not contain any encryption or other safeguards that will prevent the files from being opened by the District.

Please contact me at [gcahalane@sjrwmd.com](mailto:gcahalane@sjrwmd.com) or at (386) 326-3034, if you have any questions or need clarification regarding this solicitation.
