**Addendum #01**

**January 13, 2023**

**IFB 23-B0020**

**Water Transmission Main Protective Measures  
Pressure Reducing Valve Installation**

The purpose of this Addendum #01 to IFB 23-B0020 for Water Transmission Main Protective Measures Pressure Reducing Valve Installation, dated January 13, 2023, is to list key points discussed in the mandatory pre-bid meeting and provide the sign-in sheet:

- This is a 180 day project, contingent with lead times of supplies and equipment. Liquidated damages are \$500.00 per day.
- 70% of all work must be completed by the prime Contractor. Disadvantaged Business Enterprises (DBE's) and Women Business Enterprises (WBE's) are required for 2.6% of work completed each.
- All work must conform to Davis-Bacon and American Iron and Steel standards.
- If necessary, the City will acknowledge and consider lead times on supplies and equipment.
- Scrap and haul of old parts and equipment will be the sole responsibility of the Contractor.
- Site visits may be scheduled through the Buyer.
- All questions must be submitted to the Buyer, in writing, no later than 5:00p.m. (local time) on Friday, January 27, 2023.
- The mandatory pre-bid sign-in sheet has been attached and is hereby made a part of this addendum.

If you have any questions regarding this Addendum, please call or email at the contact points below. All questions will be answered in addenda and available to all valid bidders.

Thank you,
