

REQUEST FOR PROPOSAL
#1263
City of Springfield – Electric Dept – MVA Substation Transformers

ADDENDUM #1

The City of Springfield Tennessee is hereby amending the above mentioned Request for Proposal (RFP).

1. **Comment:** The timeframe to secure quotes for the two (2) 69-13kV Power Transformers is not enough due to the upcoming holiday schedules and backlog of quotes in their system that the current bid time frame is not enough.
City's Response: Due to the request from several manufacturers, the bid date has been extended to January 25, 2024, at 10 am CT.
