This addendum is being published to provide clarification regarding the above referenced RFP. This addendum becomes a part of the contract documents and modifies the original specifications as follows:

Items for Clarification:

- 1). Line 39 on Appendix 1. Could you please clarify the unit BizHub C224E? The specs require 32 ppm however that unit only does 22ppm. Just want to be sure we are quoting the correct unit.

The correct PPM for this model is 22ppm in color and B/W.
