Division 1

General Information

Section 2: General Overview – Revised

2.1 Intent and Purpose

The Clayton County Water Authority (CCWA) intends to contract for the annual services of an experienced contractor to complete water meter installations, water service line renewals, water meter and appurtenances relocations, and backflow retrofitting for the period **October 1, 2023 to September 30, 2024**.

All work under this contract will be governed by the CCWA Standards for Water Distribution Systems, all applicable AWWA Standards, and United States, State of Georgia, and local laws/regulations. The contractor shall be responsible for complying with the Underground Protection Act and will be responsible for notifying the Utilities Protection Center (UPC) of work proposed according to the Georgia Underground Facilities Protection Act. All locate requests to the UPC shall be completed through Web Entry. Any damage to other utilities will be the responsibility of the Contractor.

The work shall be performed under the direction of the Distribution and Conveyance Director of the Clayton County Water Authority or their representative.

The work under this contract will be determined and assigned by CCWA on an “as-needed”, “when-needed” basis. CCWA does not guarantee any minimum or maximum work quantities under this contract, and reserves the right to procure any similar type work of this contract as a separate solicitation at its sole discretion.

All work under this contract will be issued in the form of a Project Work Order. A Project Work Order may include a single work item or may include a number of work items. All work items of a Project Work Order do not necessarily have to be adjacent to each other; however, it is the intent that each Project Work Order will be authorized as a part of a mobilization to a common geographic location.

Where a Project Work Order in an amount of \$100,000 or more, for work considered “Public Works” is issued as defined by O.C.G.A. § 36-91-2, payment and performance bonds will be required prior to the commencement of that work.

The initial term of this contract will be for twelve (12) months. The contract may be extended for a second and/or a third 12-month period by mutual written consent by both parties with no changes in terms, conditions or bid prices.

General Information

Section 2: General Overview – Revised

2.2 Bid Evaluation

A contract will be awarded to the lowest responsive responsible bidder whose bid conforms to the Request for Bids specifications and will be the most advantageous to the CCWA. An evaluation will also be performed to ensure bidder complies with the required submittals. Determination of best responsive responsible bidder will be the sole judgment of the CCWA.

To be considered responsive to this bid, bidders are required to bid on all work items listed on the Bid Form.

The total bid amount per bidder will be determined by taking the “unit cost” for each “work item” as shown on the “Bid Form” times the “estimated annual quantities” for each “work item”. The unit price will prevail in case of error(s).

Small Local Business Enterprise (SLBE) Bid Discount:

This procurement has a SLBE bid discount for evaluation purposes only, which will be given to CCWA certified SLBE primes only. For more details, please refer to Division 2, Section 8 of this bid package.

2.3 Addendum

Bidders may submit questions regarding this bid prior to the bid opening. To be considered, all questions must be received no later than **Friday, July 28, 2023, at 2:00 p.m. (local time)** via email at ccwa_procurement@ccwa.us. All responses to bidders' questions will be issued in the form of an Addendum by email. All addenda issued shall become part of the Bid Documents.
