

Addendum #1

FY24 Water Treatment Chemicals (1 – Year Term)

1. Would you please have someone send me the most recent chemical bid results/tabulation/existing prices from current suppliers.

Yes, it will be in a separate attachment.

2. Can someone please provide the tank size for Sodium Hypochlorite, and the corresponding delivery amounts taken at Plant #2 (gallons), where it appears bulk Bleach is delivered. I can't seem to find that information provided on the documents provided.

3 each 2,100-gallon tanks connected together. Maximum capacity is 6,300 gallons.

3. Would someone please confirm if Sodium Chlorite is to be quoted and delivered in 275-gallon totes, as indicated on Line 41 of Price Submittal form; or, is it to be quoted and delivered in Bulk Tanker, as indicated on Line 55 in the Plant #1 delivery instructions? If delivery is in bulk, what is the tank size (volume), and what is the corresponding delivery amount to be received?

It should be quoted and delivered in 275 gallons totes.

4. I see PAX-18 listed in the specifications document; however, I am not seeing it on the price submittal sheet. Is this product being used/out for bid?

No. We are not planning to purchase this chemical.

5. Kindly SHARE LAST YEAR BID SUMMARY, What WILL BE THE MINIMUM ORDER OR Nuchar Carbon in a single order?

Minimum order will be 1000 lbs. bagged on pallet.

6. The second page of the bid package "Important-Electronic Submittal Requirements" is requiring the bid to be submitted as 1 file. However, on pg. 6, section 1.4 submission requirements are allowing for 2 submittals. Can you please clarify if we are allowed 2 submittals?

(YES) As requested in the requirements, if more than one submittal is needed, the first submittal must include the Chemical Price Sheet.

7. Please confirm term is 1 year firm with (4) 1 year renewal options.

Yes.

8. Does this bid require Sodium Hydroxide 25% as outlined on the pricing sheet or 50% as stated on page 22 of the bid?

It is for Sodium Hydroxide 25%. See the highlighted note on pg. 22. We will not be taking bids for Sodium Hydroxide 50% for this term.
