Addendum

Solicitation Name	Waterline Replacement Services at Autumn Landing Q1900	Addendum Number	2	Date	9-4-2018
--------------------------	--	------------------------	---	-------------	----------

This addendum answers questions raised about this solicitation. To aid in readability, the questions are in black, the answers are in **bolded blue** and the answers follow immediately below.

Q1	Can my subcontractor have a limited licensed plumber license as long as he has all the insurance requirements for the Waterline Replacement Services at Autumn Landing (Q1900) bid?
	The State Contractor Licensing Board says: The Limited Licensed Plumber (LLP) license is limited to plumbing projects where the total cost is less than \$25,000 (including material, equipment and labor). If the plumbing portion is less than \$25,000, then an LLP would be acceptable.
