

**19-002: Infrastructure  
Construction/Repair**

**Addendum –  
Questions/Answers**

**QUESTION:**

Would you please e-mail me the plans and specs for the above noted project? I don't see them at either website noted in your invitation to bid. Also do you happen to have the estimated project value and start date yet? If you can't e-mail the plans and specs, would you please let me know how I can obtain them?

**ANSWER:**

This is an invitation to bid for an annual contract for miscellaneous construction and repair to our infrastructure. The amount budgeted for this work varies each fiscal year. The start date would be the contract date which is listed in the anticipated timeline.
