Pre-Bid Meeting Minutes & List of Participants
Thursday May 11, 2023

1. The following is the meeting minutes of the pre-bid meeting:

During the Pre-bid conference the County reviewed the solicitation and highlighted key information such as: key bid deadlines; communication procedures (**i.e., all communication relating to the solicitation must be submitted via the “Submit a Question” function Vendor Registry; no outside communication is permissible**); prevailing wage requirement for construction services; requirement of a Virginia Contractor License; authority to transact business in the Commonwealth; bid submission requirements; and provided a DES Project Overview. However, Bidders were reminded that each Bidder must review the ITB in its entirety and ask any questions they may have within the time allowed.
