

## Addendum 2

The Contractor shall include in his Bid the Allowances listed below. These Allowances shall cover work, manufactured equipment, or services that will be provided either by the Contractor or by others who may be selected by the owner. All work performed under allowances shall be subject to owner approval and under special terms described herein. The contractor shall coordinate and cause the work covered by these allowances. In accordance with the contract, the contractor's costs including markup and profit are included in the contract price and no additional payment will be made for these costs. The final amount of any allowance item listed in the bid proposal shall be adjusted accordingly by change order to reflect the actual cost.

Line items from the schedule of values that should be bid as allowances include the following:

900-0002 Custom metal fabricated railroad track structure

900-0003 Custom metal fabricated tunnel structure
