Dallin Mace Milestone Utility Services	I'm emailing in regards to RFP # 22-6-5. Is it possible to get the transaction volume and amounts for the Village of Addison? In efforts to demonstrate pricing for the payment processing service, it would be helpful to know the transaction volume, transaction amount (annual or monthly for both) and your mix of transactions (Visa; Mastercard; AMEX; ACH).	A spreadsheet with the requested information will be available on our website through Vendor Registry. Addition # 1 File Name: "Village of Addison Online Credit Card payments 9 2021 - 6 2022"	Finance Department Village of Addison
