

St. Johns River Water Management District

Michael A. Register, P.E., Executive Director

525 Community College Parkway S.E. • Palm Bay, FL 32909 • 321-984-4940 • www.sjrwmd.com

DATE: August 15, 2023
TO: Prospective Respondents
FROM: Amy Lucey, Senior Procurement Specialist
SUBJECT: Addendum #3 to Request For Qualifications, # 39002, Lake Jesup Nutrient Reduction Design.

As a result of inquiries, the following clarifications/changes are provided for your information. Please make all appropriate changes to your proposal documents.

- Q1: Can you please provide clarification on the Qualifications – Similar Projects Forms?
- A1: See addendum 2 answer A1, that “Completed” means designed. If a project was designed but not constructed that would still qualify to meet minimum requirements. If this does not answer the question, please be more specific.
- Q2: What is required for Anticipated License Utilized to Obtain a Permit (include classification and issuing authority)?
- A2: Standard licenses, certifications, qualifications that would be required by the United States Army Corps of Engineers (USACE) and the Florida Department of Environmental Protection (FDEP) permitting.
- Q3: Will the negotiation outlined in Section 11, subsection f, include the negotiation of the terms of the “Sample Agreement” to determine the Successful Respondent?
- A3: Negotiations, which may include negotiating terms of the sample agreement, will proceed, after the District’s Governing Board approval of staff’s recommendation, with the top ranked Respondent.

Clarification:

As stated in the Description of Requested Services, the preliminary budget for the requested services is approximately \$250,000. This amount is an estimate only and does not limit the District in awarding the Agreement. Respondents are cautioned to not make any assumptions from the estimate about the total funds available for the Work.

NOTE: The Response Due Date remains 2:00 p.m., **Tuesday, August 22, 2023.**

Please acknowledge receipt of this Addendum on the SUBMITTAL FORM provided in the solicitation document.
