

SPORTSPLEX FENCING

INVITATION TO BID – REQUISITION NO. 2018-0832

ADDENDUM NO. TWO (2) – DATED AUGUST 28, 2018

The information given in this addendum is in addition to or supersedes conflicting information to the invitation to bid and is hereby made a part of the request.

Bidder's Request for Clarification: We have received the addendum regarding materials, but do you have any addendum coming out on what is expected of the fence contractor regarding the dugouts? It is my understanding that we are to supply the posts to go into the concrete block for the city to install, but really need written clarification as to whether the fence contractor is expected to install the chain link fencing on the dugouts after the block is laid and posts are set. I am assuming we are, but please let all bidders/installers know for sure.

City's Response: Yes, the Contractor is expected to install the fencing after the City sets the posts.

Please be sure to acknowledge receipt of this addendum on your bid form.
