1. Are you able to provide any recent COD from your current vendor to allow us to see a sample of the equipment coming out? **This document is now attached.**
2. Is Beaufort an Apple district? **No**
3. How many notebooks do you expect to come out in the next year? **6k for 2024**
4. How often do you need the multisite pickups? **Pickups are done school by school as we do not have a central location to gather the equipment. Due to this, we will need multisite pickup for every pickup.**
5. How many iPads are coming out of service in the next two years? **Roughly 670 in 2024. We are unsure of 2025 as we hold our iPads as long as apple supports security patches and OS updates.**
6. Conditions of devices always vary. Would you say they are sent to your vendor in fair, good, or parts condition? **Our 2nd-12th grade devices are usually fair to parts condition and prek-1st iPads are usually good to fair.**
