This addendum answers questions raised about this solicitation. Questions are generally verbatim as received. To aid in readability, the questions are in black and the answers are in **bolded blue** following immediately below.

Q1	I would like to request an extension for the response deadline for Landscaping Q2403 to next Friday if possible.
	KCDC has moved the due date and time to October 9, 2023 at 11:00 a.m.
Q2	Can or will a proposal that is not congruent with the bid specifications be considered if said proposal keeps the (fiscal) needs of KCDC in mind?
	KCDC will consider proposals that are different than the specifications with the understanding that the goal is providing cost efficient landscaping services. KCDC alone evaluates the effectiveness and appropriateness of all landscaping proposals.
Q3	Are the service intervals suggested in the bid malleable if an alternative proposal provides the owner with an equivalent result?
	Yes, proposers may offer different timelines to accomplish the goal of cost-effective quality landscaping services if they so desire. KCDC alone evaluates the effectiveness and appropriateness of all landscaping proposals.
