

Question Presented:

My company has received the attached bid invitation to quote Student Accident coverage for Bibb County. As I was reviewing the bid packet page 4 as outlined below of the RFP refers to a 28 page doc. This is a necessary form that we need to quote and cannot proceed without it. Please email me a copy of the declarations page so we can start our review of the document..

Bibb Response: Declaration page will be posted by Friday June 23rd, 2017.
