

Addendum III

The school district has a number of parent without direct internet access. Consequently, the student accident insurance carrier each year prints and sends to the school district's Safety and Risk Management Office copies of the student accident insurance brochure. The actual English language and Spanish language versions of the current brochure are attached. This brochure details for parents the various student accident insurance coverage options that they can purchase for their individual student(s). Additionally, I have attached the count of the number of brochures needed for each school in the district. The Safety and Risk Management Department sends these brochures to each school during pre-planning. The individual schools send them home to parents on the first day of school.

The last four school years is as follows:

FY 2017 - (8-1-2016 to 8-1-2017) - \$38,500
FY 2016 - (8-1-2015 to 8-1-2016) - \$38,500
FY 2015 – (8-1-2014 to 8-1-2015) - \$38,500
FY 2014 – (8-1-2013 to 8-1-2014) - \$38,500

The total number of male and female high school student athletes in the school district is approximately 2000 students.

See attached documents– Schools with the number of copies, as well as the Spanish and English brochure to be utilized.
