RFP 22-026 ADULT DETENTION CENTER COMMISSARY

8/23/2022

ADDENDUM NO 2:

Notice to Vendors:

THIS ADDENDUM PROVIDES ADDITIONAL INFORMATION AND IS INCORPORATED INTO THE SCOPE OF WORK. INCLUDE THIS SIGNED ADDENDUM WITH YOUR RESPONSE.

1. Can you please specify how many Aramark employees are currently dedicated to providing commissary services?

Response: Three (3)

2. Sales given in the RFP, do they include friends/family package sales?

RESPONSE: Yes

3. What is the current weekly commissary schedule?

RESPONSE: Order on Saturday from 6:00 a.m. until Sunday at 12:00 a.m.; orders processed on Monday and passed out Tuesday and Wednesday. Fresh Favorites are passed out of Thursday. Cart is on Thursday and Friday.

4. How many times per week does each inmate get to order and receive commissary?

RESPONSE: Twice per week (one order and one cart)

5. Can we get copy of current commissary menu with pricing?

RESPONSE: Menu is attached

6. What is the current commission rate?

RESPONSE: Respondent should propose their best available commission rate.

7. Does the same commission rate apply to friends/family package program?

RESPONSE: Yes

8. How many wall mounted kiosks are currently in use?

RESPONSE: Fifteen (15)

9. Can we get a full list of hardware (PC's, workstations, printers, etc.) provided by incumbent vendor?

RESPONSE: That information is not available. Awarded vendor will need to provide all necessary computer equipment for their operations. Tom Green County provides one computer, The additional hardware is the vendor's option.

10. Can we get a copy of the vendor sign in sheet from the prebid meeting?

RESPONSE: Will be emailed as requested.

11. Is trustee labor currently allowed now or will it be in the future?

RESPONSE: Yes and Yes

12. Can you please confirm if the deposit services agreement is in the commissary or phone contract? We understand that VIAPath/GTL/Touchpay is the owner and platform provider of the kiosks. We understand deposit services was originally on the commissary contract as partnership with Aramark. The RFP seems to reflect that the commissary provider will provide. Can you please confirm that agreement still rides on the commissary contract or has it been moved to the phone contract with ViaPath?

RESPONSE: The original deposit agreement was with Touchpay, separate from the phone vendor and commissary. GTL (Viapath) purchased Touchpay. The RFP is intended to merely ask how this service will be accomplished, through a partnership or from the vendor. The deposit services fall into different vendors (some phone and some commissary) now. The commissary vendor is not required to have their own deposit service, but must have a plan to accomplish the goal.

Sincerely,

Darin Schell
