

“City of Havelock
Gravity Sewer Manhole & Box Culvert Rehabilitation”

Addendum 2

October 7, 2019

Questions Received

1. Is a copy of the shop drawings for the Pineview Street culvert sections available for the bidders to examine showing dimensions, details, wall thickness, etc.?

Shop drawings are not available.

2. Do the shop drawings indicate the approximate weight of the culvert sections?

Shop drawings are not available.

3. Is there information showing any cast-in-place pick-up anchors in the culvert sections that can be used for the repair work?

Information is not available.
