Katherine,

In regards to bid #2339 District Chromebook and Associated Software; we had originally awarded section #3 GoGuardian Software to Bluum. However, after speaking to the sales representative for Bluum I have found out that the pricing of \$29.61 is not the total cost for the suite but is for each item that would bring the total cost for the Admin and Teacher software to \$59.22. Central Technologies bid proposal for section #3 is \$20.00 for Teacher and \$20.00 for Admin software for a total of \$40.00 making Central Technologies.

With this information, I would like to ask that the award for Section #3 of this bid be changed from Bluum to Central Technologies.

Regards,  
Wade Haney  
Director of Technology  
Anderson County Schools
