N. Acceptance of RFP - RFP Summary No. 22-23-107, Nutrition Services Paper, Plastic, and Film Products

Quick Summary / Abstract

Recommendation is made that RFP Summary No. 22-23-107 for Nutrition Services paper, plastic and film products be accepted and awarded to P & R Paper Supply Company, Inc. for paper and plastic items and Individual Food Service as the backup vendor. Platinum Packaging Group for film item numbers 15, 19, 22 and 23, and tray item numbers 24, 28 through 30, 32, and 35 through 41 and Plastic Connections for film item numbers 1 through 14, 16 through 18, and item 20 and 21 as listed in the RFP summary. The second lowest bidder will be considered the backup vendor for those film items. The tray items will not have a backup vendor.

Description

Covina-Valley Unified School District is the lead District for RFP 22-23-107 Nutrition Services Paper, Plastic and Film Products on behalf of the San Gabriel Valley Cooperative Purchasing Group (SGV Co-Op) which consists of thirty (30) member districts; the District received RFPs for Nutrition Services paper products for the 2023- 24 school year. The following RFP summary indicates the low RFPs received that met District specifications and quality standards. It is estimated that the District will purchase approximately \$350,000 of paper products. The cost for this purchase will be paid from Cafeteria Special Revenue Funds. This RFP also allows for renewal clauses for up to a total of three years.

Per the RFP documents, the paper and plastic will be awarded to one bidder based on the majority of items with the lowest price. The apparent low bidder must bid on a minimum of fifty percent of the items to be considered and the awarded bidder must supply all items on the list.

To determine the apparent low bidder, a committee consisting of District personnel and personnel from four other member districts created a spreadsheet of the RFP responses for paper and plastic items. The committee reduced the price down to the per each cost to compare all items regardless of case quantity. P & R Paper Supply Company had the majority of low prices with a total of sixty-three percent of the one hundred fifty-five items listed in the RFP summary. There were two bidders on the paper and plastic items as follows:

- P & R Paper Supply Company awarded all items
- Individual Food Service is a backup vendor for all items

Per the RFP documents, the film will be awarded on a line-item basis. The lowest bidder per line item will be awarded the item unless there is an unreasonable minimum order requirement. There were two bidders on the film items, The Platinum Packaging Group and Plastic Connections. The Platinum Packaging Group was low bidder on Line item 15, 19, 22 and 23. Plastic Connections was the low bidder on Line item 1 through 14, 16 through 18, and item 20 and 21. The second lowest bidder will be considered the backup vendor for those film items. All items listed on the RFP summary.
