Solicitation Name	Enterprise Resource Planning (ERP) Software Q2000	Addendum Number	1	Date	03/24/2020
--------------------------	---	------------------------	---	-------------	------------

This addendum answers questions raised about this solicitation. To aid in readability, the questions are in black, the answers are in **bolded blue**, and the answers follow immediately below.

Q1	The COVID-19 pandemic has introduced heightened awareness, the importance of social distancing and in other cases mandated shelter in-place quarantines, and all of our employees have been instructed to work from home. In recognition of the crises, will you please consider relaxing the printing requirement for submittal and accept electronic submittal?
	Yes. This was an oversight as KCDC's intent was for electronic submission only. KCDC only wants electronic submission of proposals for the reasons you state above.
Q2	Could you provide the Functional Checklist in Word or Excel format so that our subject matter experts could easily respond to the questions?
	Yes these will be posted to KCDC's webpage.
