Laundry Systems bid \$13,566.802 per washer on both their submitted bids. They can deliver the washers in 3 – 4 weeks.

Their dryer prices are \$5,952.98833 with a delivery time of 8 – 10 weeks and \$7,311.8667 with a delivery time of 3 – 4 weeks.

Decision: The Laundry Systems Washers-\$13,566.802 each and dryers-\$7,311.87667 each. The dryers offer some features such as controls on the back of the machine so inmates can't mess with settings. This alone is a great factor in adding to the longevity of the machines. The washers are more efficient than the other quote and will save us money in the long run in water and maintenance. They offer programmable settings to simplify usage for the inmates.
