Re:

Bid No. B-22-07, Bulk Diesel Fuel

SOLICITATION SUMMARY

On April 6, 2022, I solicited for bids for the above-referenced item. This bid was conducted in accordance with NMSA 1978 13-1-103. On April 19, 2022, one (1) bid was received.

The intent of this solicitation is to secure a price agreement with a supplier to provide both clear on-highway and off-highway diesel fuel, in bulk, for use by the County Road Department and Volunteer Fire Departments at our various satellite locations. The price agreement will secure a fixed rate for *Freight*, *Super Fund*, *NM Load Fee*, *Misc. Fees*, *and Profit Margin*. This bid does not allow for a fixed rate on the rack price of the fuel, as we must have allowance for either escalation or reduction in rack price.
