

Asbestos Abatement and Permitting Questions & Answers - 12/7/2020

1. Who is performing the demolition after the abatement is complete? **Town of Summerville forces will demo and dispose after abatement is complete**
2. The bid form on page 15 asks for "SC Sales Tax Number" twice (see attached). Is that correct? **No, disregard this.**
3. Once we start the abatement can we move to the next house when complete? **Yes** The bid from called out mobilizations separate so I wasn't sure if we could do them one after the other. **Yes, you can move from one to the other.**
4. What are the acceptable working hours? We will need to run a generator to do the work and could get "noisy". **7am to 11pm are the permittable times for work per the Town's noise ordinance.**
