Addendum

SOLICITATION NAME	Multi-Function Copiers Q1725	ADDENDUM NUMBER	4	DATE	06-02-17
--------------------------	------------------------------	------------------------	---	-------------	----------

This addendum answers questions raised about this solicitation. To aid in readability, the questions are in black, the answers are in **bolded blue**, and the answers follow immediately below.

Q1	One area not discussed is the Section 8 Main Office with its 9 personal copiers. This is the only area we have not reduced from Appendix A.
	Section 8 wants the same configuration they have already and are not under the same restrictions as our other housing program. That office WILL HAVE PERSONAL PRINTERS and the Appendix is accurate.
Q2	Please clarify which are the four (4) Towers.
	The 4 Towers are KCDC's high rises: Isabella Towers, Love Towers, Cagle Terrace and Northgate Terrace.
Q3	Does KCDC require all MFP/ Printer quotes to include surge protectors?
	Yes.
Q4	In Addendum-1, Q11, KCDC stated that KCDC does want hard drive encryption. Does this also mean that KCDC does require all devices to include a hard drive?
	If a device has a hard drive it is to be encrypted, this does not mean every device should have a hard drive. For example, personal printer size devices typically do not have hard drives; however larger devices typically have hard drives.
