

Addendum

SOLICITATION NAME	Proffitt Springs Area Demolition for MKAA Q1732	ADDENDUM NUMBER	2	DATE	06-26-17
--------------------------	--	------------------------	----------	-------------	-----------------

This addendum answers questions raised about this solicitation. To aid in readability, the questions are in black, the answers are in **bolded blue**, and the answers follow immediately below.

Q1	Can the supplier clear tree debris at the entrance to the site?
	Yes. Removing the overgrowth will provide for better site lines upon leaving the property.
Q2	Are all the utility poles to be removed?
	No. There are two utility poles of interest. One has a transformer that Alcoa Utility Board wants to remain. The other has a metered service that has been disconnected. See photos and map below for additional information.
