**Email Address**

**Sale of Steam Engine No. 3960 and coal tender car  
The City of Canton**

**Invitation to Bid Change 2:**

1. The following pictures are of parts for the Engine #3960. We do not have a list and the six, skinny, "bent" pipes in the right foreground of the one photo are for a different locomotive and are not part of #3960's equipment. These parts have been in dry storage since 2004.
